

DOCUMENTS & HEALTH

For the majority of our tours, a valid passport is required. However, it is the responsibility of the client to check the information detailed below to ensure that they have the correct documentation for the country they are visiting, and that they are aware of the relevant health recommendations. Please note that the entry requirements listed are only valid for British citizens holding a British passport issued in the UK. Clients with the endorsement 'British Overseas Citizen' stamped in their passport may have different entry requirements and should therefore check with the relevant embassies. All other nationalities should check with Cox & Kings for advice. It is also recommended that you consult your G.P or travel clinic for personal advice regarding any inoculations or health precautions that may be needed.

A simple classification system has been devised to check the necessary requirements and advice. The codes that have been used are interpreted as follows:

- A Full valid British Passport (minimum 6 months validity from the intended date of return)
- B Visa required (see footnote)
- B* Tourist Card required (see footnote)
- C Yellow Fever precautions advised
- C* A Yellow Fever certificate is required if travelling from an infected country
- C** A Yellow Fever certificate is required for all travellers over the age of 1 year
- D Cholera precautions
- E Typhoid & Polio and Hepatitis A precautions may be advised
- F Malaria precautions advised
- G Tetanus precautions advised
- H Areas of high altitude - check with G.P for confirmation that it is safe to visit
- I Food and Drink precautions advised
- J Entry prohibited if you have an Israeli stamp, or stamps from other countries' bordering crossing points with Israel, in your passport
- K Diphtheria
- L Hepatitis B

CHARGES

Cox & Kings will be pleased to obtain visas on your behalf (for British citizen passport holders only) provided a minimum period of four weeks prior to departure is given to obtain a single country visa. Cox & Kings requires an additional week for each additional country's visa that is required. The charge to process each visa will be £25 in addition to the cost of the visa (£30 for Indian Visas). Currently the charges are as follows. These prices are correct at the time of publication; however, all governments reserve the right to change these without prior notice. Cox & Kings will advise of any changes prior to booking. If your itinerary involves leaving any of the countries and re-entering them at a later stage, you will need a double or multiple entry visa, which may cost more. The fee for your visa (if being obtained by Cox & Kings) should be forwarded to us in full at the time of booking.
